No one turns the wheel of, no one turns the wheel of time.

Strophe 2:

The morning is colder, the day has lost its shine,
and in such a moment, I wish I could change time.
And sometimes I hear you, your voice remains in me,
and sometimes I see you, the angel who is free.

Strophe 3:

You know, you are with me, you live still in my heart,
you know you are with me, even if we live apart.
And maybe in some years, my memories are gone,
but you will be always for me the favourite one.
