knew there would be dif-fe-ren-ces here bet-ween us. We knew
may-be o-ur friend-ship won't re-main. And to-

Strophe 2 :

Hey, you girl, yes I miss you, don't go away from me.
You don't want to join me, so it's time to close that door.
I can't think about living, living without you,
We have always been best friends, every day and year.
And now I don't want to see it, fade away.
But still I won't forget you a single day....
